VS KOFFIN

POCKET MONSTERS SPECIAL
The Nineth Chapter
HEART GOLD & SOUL SILVER

9

Whirl Islands, east of Cianwood City
Johto
WHIRL
hold on to your "Razor Claw" too
Sneasel
Be careful, Murkrow
You dropped your "Dusk Stone"
Oh...
that Blue gave me
They're special tools

Feraligatr! Control the waves with "Surf"!!
Kingdra! Part the waterfall with "Waterfall"!!
Gyrados! Calm the whirlpools with "Whirlpool"!!

I wonder how it's been
since I've last been to this room...

So he's not here after all

Lance !!

strange radio interference at Goldenrod City
releasing lots of Gyrados into the Lake of Rage,
Secretly ceiling Slowpoke tails,

they're saying
"Team Rocket is back!!"

By themselves, they're minor incidents, but...
All of these are recent events in Johto

Have you noticed, Sneasel?

It's like
It follows what they have done in the past

If they have regrouped and are trying to start something yet again,
If this was all really caused by Team Rocket...
I'll stop them
I'll stop Team Rocket... with my own hands...!!
Sneasel!!
I thought that Lance would know something, but it looks like he's not here
...Let's go Sneasel

!?
The gym leader of Blackthorn City,
Who are you!?
Clair!!
You're ...
What do you want with Brother!?
That's my line!!
What are you doing here!?

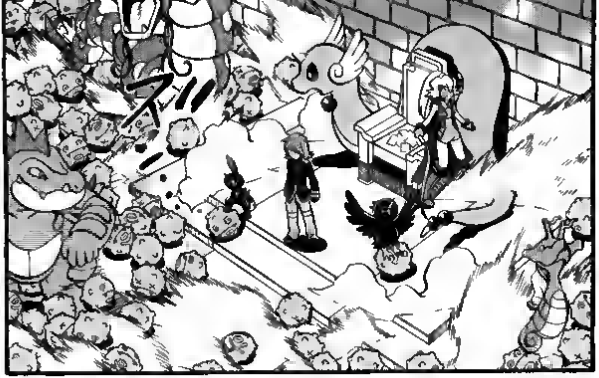
in Blackthorn City is!!
You don't understand how deep our bond as fellow dragon-users who both grew up
Yes!!
Brother
Are you talking about Lance?
However..
the call ended abruptly, and he hasn't picked up my calls since then!!
Not long ago, Brother gave me a call!
!!
What!?
If something were to happen to him...!!
I came here from Blackthorn because I was worried about him
..Hm
I came here because..
My name is Silver
nor Lance's enemy, of course
I'm neither your enemy
Then..

while we were arguing
Looks like we were sur-rounded

Wha-...!
They don't seem to be your Pokemon, Clair

In any case...
Or do they have a different goal...?
Did they follow me to attack me...?
A hostile swarm...

the only choice is to fight!!

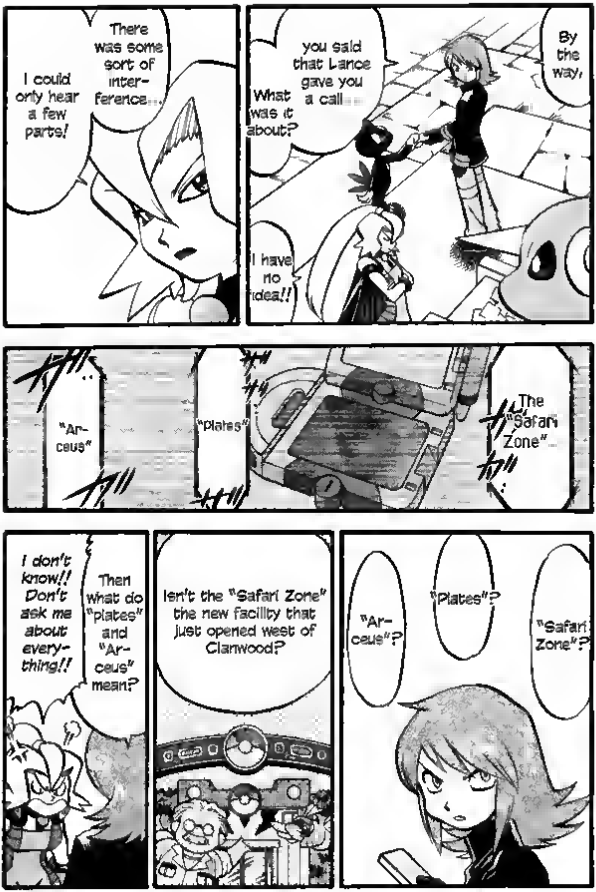


So many ...
In a flash!!
This is also thanks to the one you call Brother

Feraligatr used "Hydro Cannon"!!
Isn't that the ultimate move!?
Yeah
Due to certain circumstances, I had the chance to learn it

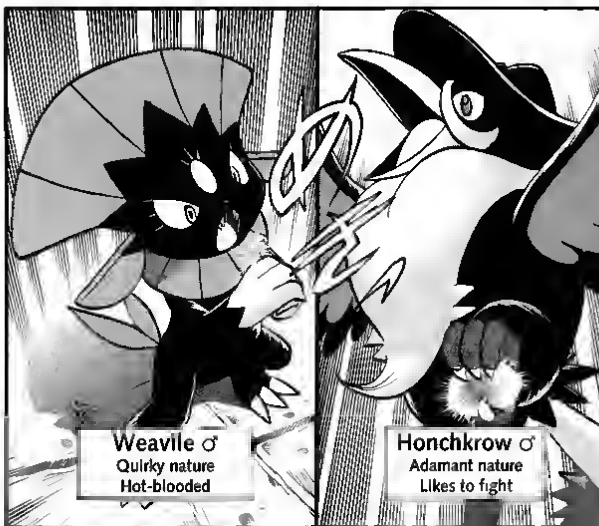
So you're... a Pokedex Holder!!
Sneasel!!

Yeah, but
It got away!!
He got that from the Koffin?
The move that Sneasel is best at, "Thief"
The Koffin was trying to escape with this
Oh yeah
I've also used it on you before
Let me give this back to you
!?
I stole a badge while you were away



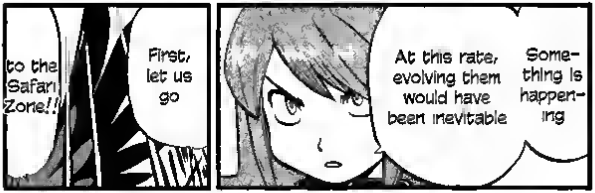
There was some sort of interference...
I could only hear a few parts!
By the way,
you said that Lance gave you a call...
What was it about?
I have no idea!!
"Arceus"
"Plates"
The "Safari Zone"
I don't know!! Don't ask me about everything!!
Then what do "plates" and "Arceus" mean?
Isn't the "Safari Zone" the new facility that just opened west of Clanwood?
"Arceus"?
"Plates"?
"Safari Zone"?

Hey! Your Murkrow and Sneasel are...
Plate...



Weavile ♂
Quirky nature
Hot-blooded
Honchkrow ♂
Adamant nature
Likes to fight

So the power gained during that last battle and the items they held
made them evolve, huh



Something is happening
At this rate, evolving them would have been inevitable
First, let us go
to the Safari Zone!!

Cliff Cave
99
98
100
We have complete control over this area!!
When I'm serious, things like this are a piece of cake!!
I just couldn't give up!
For 3 years, I've aimed for the position of boss!!
That's why I gathered up all of the remnants of Team Rocket, and got weapons and equipment
I've put signs of our return everywhere!!
Hee Heehee-hee!!
I've done this all by myself

But isn't that wrong?
Wh-Who is it!?
Now, no matter who comes back, I won't let them get to be the boss!!
Not even my comrades,
and not even our last boss, Giovanni!!
Gah shh
you were once part of the Three Beasts, which were Boss Giovanni's personal bodyguards, so you should understand, right?
Carr.
Team Rocket owes everything to Boss Giovanni
Team Rocket belongs to Boss Giovanni
Gweh ...!!

Only the ones who carry on Boss Giovanni's will has the right to be commanders of our organization
That's why
we will be taking command now
Archer,
Ariana,
Pro-ton,
and Petrel
We, the four Rocket Admins!!
